

Big Brothers Big Sisters of the Central Piedmont

Flip Force Gymnastics and Flip Force Booster Club are proud to be a sponsor of Big Brothers Big Sisters of the Central Piedmont! We have committed to donate a portion of our spectator ticket sales from the Greensboro Gymnastics Invitational to this organization.

Their mission is to provide children facing adversity with strong and enduring, professionally supported one-to-one relationships that change their lives for the better, forever.

Their services are provided to our youth and volunteers at no cost, therefore they rely on the community for 100% of their budget each year. All funds raised make a significant impact in the lives of the children in our community. They will be able to continue to serve the 800+ children we help each year and increase our recruitment efforts allowing us to provide mentors to the more than 200 children on our waiting list. Right now a child's average wait is 2 years before they receive a mentor.

It's about having fun and making a difference in the life of a child. Thank you for your part in helping to create a positive experience for, and have a great impact on, children in our community.

Our \$5k donation last year helped Big Brothers Big Sisters of the Central Piedmont serve 1,000 children; 815 of those being matched with a one-on-one Mentor!
